# About Us

**FMCS** – Foreign Manufacturer Certification Scheme

**BIS** – Bureau of Indian Standard

- The **BIS FMCS** Certification is a mandatory requirement for foreign manufacturers who want to sell their products in India. This certificate ensures the quality, reliability and safety of the product.
- Under the Foreign Manufacturers Certification Scheme (**FMCS**) the BIS grants a license to foreign manufacturers and allows them to use the **BIS/ISI** Mark on their products and enter the Indian market.
